

## 2018 National Awards Program

On November 21, 1949 General Dwight D. Eisenhower presented 200 recipients with the first Freedoms Foundation National Awards. The ceremony took place in a barn on a colonial farm once occupied by Washington's troops, which is now the site of the national headquarters of Freedoms Foundation at Valley Forge.

Now, 69 years later, nearly 56,000 awards have been presented to Americans from all walks of life – the famous and the unknown, the young and old – from Maine to Hawaii. Large corporations and small businesspersons, farmers, students, teachers and military personnel have all been presented National Awards for their efforts to make America a better place for everyone.

This program was intended as a way to say thank you to those whose projects, words or deeds reflect the best of the American spirit of volunteerism by offering constructive solutions to contemporary problems. We search for those doing good work in their communities, people or organizations bringing about the best in the spirit of America.
